This year, volunteers from the Evangelical Covenant Church will be providing the services at the Hospitality Tent. This tent will be a place that people can be refreshed and have the opportunity to take care of some basic needs such as diaper changing area, nursing area for mothers, basic first aid, lost parent area, general information and a place to sit to get out of the heat. All are welcome to visit the tent throughout the days of the Festival and the East Northport Chamber of Commerce thanks the Evangelical Covenant Church and their volunteers for manning such an important service to the many people that visit through the Festival weekend.

This Family Friendly Carnival Concessionaire rates top in the business of entertaining all. When all the excitement gets you hungry, take a break and visit the food court. Every year this gets bigger and better and continues to feature the great tastes of East Northport and surrounding areas.

The East Northport Chamber of Commerce continues to bring great musical entertainment to the stage(s) in John Walsh Park. Starting off Friday night, September 9th, at 7:30 pm The East Northport Chamber is proud to present **MAJIC MUSIC**. New to our stage, Majic has been together over fifteen years entertaining at area concerts, weddings, corporate events, etc. They do a variety of styles covering a variety of musical eras straight up to the music of today. We're sure you'll know one of the female vocalists when you see her. She's the Chamber's special very talented friend, Felicia Crandall, and vocalist in several bands including the Distant Twins. You won't want to miss this group's premiere performance on opening night. Check them out: <http://www.majic-music.com/>

In John Walsh Park, rides, games, food court and vendors will kick off at 11:00 a.m. On both Saturday and Sunday, the entrance of John Walsh Park will be doing something unique at any given moment! At 1:30 pm streetside, we're back to the concentration and vigor from the students of **MASTER CHAE TAE KWON DO**. See for yourself how both young and old possess a talent that can be revealed in each and every one of us. **INNER SPIRIT YOGA CENTER & BELLY DANCING** will be on hand throughout the weekend demonstrating the smooth, relaxing yoga techniques straight through to the energetic moves of belly dancing. Bring your cameras for the streetside performance beginning at 2:00 pm. Roni loves to get everyone involved and show them how **THEY** can be a bellydancer!

While visiting the streetside craft and merchandise vendors, listen to the rockin' sounds that will be happening on the Rockabilly Stage outside Rockabilly Barbers. Rob Wagner from Rockabilly and James Hartnett from American Community Bank have put together a variety of rock bands to perform throughout Saturday and Sunday.

New this year is the **EAST NORTHPORT IDOL** competition, hosted by radio station 94-X. Competition finals will be on the John Walsh Stage between 3:00 to 5:00 pm.

At 3:30 by the entrance of the park, we're happy to welcome back **ANITA'S DANCE STUDIO**. Anita's has joined us every year since the beginning of the Festival and once again they will be stepping to the beat and before you know it, the beauty and smiles of the performers will get everyone's feet tapping. Every year, Anita's draws a bigger crowd –witnessing first hand how great it is to see the young talent flourish right here in East Northport.

At 4:15 pm, meet the Town of Huntington elected officials and at 4:30 join all by the playground next to the Library for a rededication ceremony in honor of Ann Pabo and her son, Connelle.

On the John Walsh Park stage at 5:00 pm will be **KILLER JOE AND THE LIDO SOUL REVUE**. This is a high energy, enthusiastic and multi-talented group of musicians. They specialize in soul rockin' blues and they do it exceedingly well. Their latest CD, *BORN TO CRUISE*, proves it! They rock hard and deliver their stuff with decidedly edgy attitude. The CD sounds like it's recorded live at a rocking jukejoint! Sit back, or stand up and dance, while you hear the sounds of Gary US Bonds and the early Beatles all revved up! Watch out for Joe both on and off stage. He loves audience participation while he's entertaining! <http://www.killerjoe66.com/>

Back by popular demand at 7:30 pm is **THE LIVERPOOL SHUFFLE**. Formed in 2003, Joe Refano, Mike Green, Mike Ponella and Pete Bross, talented, versatile and experienced musicians, joined forces and began playing the music they grew up loving – that of the Beatles. You will hear firsthand their undeniable energy and excitement. Join us in reliving those glorious days when the Fab Four landed! Learn more about this group at: <http://www.theliverpoolshuffle.com>.

Sunday, September 11th morning, at approximately 9:40 am, the **East Northport Fire Department** will be hosting a **9/11 Memorial Tribute** in front of the Fire House. Please plan on joining them in paying special recognition on the Tenth Anniversary of those lost at the tragic event in history. Chamber members are honored to participate in this Tribute. At the conclusion, the Fire Department will be inviting all in attendance to join them for refreshments and an Open House.

After the Sunday Morning 9/11 Ceremony, games, rides and vendors once again kick off at John Walsh Park at 11 am. At 1:00 bring your cameras. We'll once again feature a cast of characters that will be making their way to bring smiles to young and old alike and memories like this should be saved. Rockabilly Stage will be rocking once again thanks to Rob Wagner from Rockabilly and James Hartnett from American Community Bank.

At 2:00 pm (and again at 4:00 pm), back by popular demand, the East Northport Chamber is proud to bring back **FREE CYCLE ACTION SPORTS TEAM**. They will bring some previous, and some new, daredevil stunts to Larkfield Road. With each passing year, it seems their stunts escalate higher and higher --- most of which the novice should never try! Witness firsthand what someone on a small two-wheel bicycle can do. Each year, it becomes more and more amazing!

INNER SPIRIT YOGA AND DANCE CENTER will be performing streetside at 3:00 with yoga and belly dancing.

At 2:45 pm, on stage in John Walsh Park, **ALISSA CAVALLARO** will sing several patriotic songs in honor of the Tenth Anniversary of 9/11. Alissa is 12 years old and resides on Long Island. Being a professional singer was always a dream for Alissa. At age 10 she won Amateur Night at the Apollo. From there she performed half time at Madison Square Garden for the Knicks/Laker Game. She also has performed the National Anthem at Nassau Coliseum for the New York Islanders. Alissa's new release "I Am-That Girl" is now available on [iTunes](#) & Amazon.

On stage in John Walsh Park the East Northport Chamber is proud to feature **PETER MAZZEO AND THE HIT SQUAD** starting at 3:00 pm. This incredibly talented group of musicians include members from or formerly of Queen, Led Zeppelin, Alan Parsons Project, Meatloaf, Riot, Enrique Iglesias and much more. With this combination of musicians, it's no surprise of the repertoire of music this group offers. This band is sure to rock the house up until the Festival's closing at 6:00 pm. <http://www.pmaz.biz/>

At 3:30 pm streetside, we've got another group with very special talent that should be displayed. **The TAE KWON DO ACADEMY** will display moves and concentration like nobody's business. Just ask them. They'd love the opportunity for a repeat performance!

This is a sampling of what's in store at this year's East Northport Festival. Throughout the duration of the weekend, you'll witness great entertainment, talented and creative craft vendors, demonstrations and have the opportunity to learn about many of the fine businesses here in East Northport.
