

FOOD DRIVE

The East Northport Chamber of Commerce and the East Northport Rotary
in cooperation with

The Salvation Army is sponsoring a Holiday Food Drive
and we are asking for your participation.

All food collected will be distributed to local residents.

The Chamber will supply 2 posters (one for your store window & the other for a collection box that you supply). **There will be two pick-ups: Mon., Nov. 24th and Fri., Dec. 19th.**

There are a limited supply of kettles available for any businesses that would rather collect money.

An advertisement announcing the Food Drive will be printed in several local publications
and will list all participating businesses.

DEADLINE TO LET US KNOW IS October 15th!!!

We would ask participating businesses to drop off food as their box fills up to
The Salvation Army facility on Clay Pitts Road. You'll also be given information on people
who have volunteered to pickup food and deliver to The Salvation Army.

If you would like to volunteer to pick up food and bring to the Salvation Army, let us know.
