WHY SHOULD I JOIN THE EAST NORTHPORT CHAMBER?

WHAT ARE THE BENEFITS?

Networking Business to Business Opportunities - Get Connected!

We have monthly General Membership Meetings. Meetings are usually held the first Wednesday of each month. Most meetings are held in the evening with several morning breakfast meetings as well. General Membership Meetings are great opportunities to network! Bi-annual Business Card Exchanges are scheduled. Similar in format to a Business Expo, there are information tables where participants can display brochures and other promotional materials. You can showcase your business and distribute your business cards. There are plenty of "after-hours" networking events as well, such as our Family Barbeque and Holiday Party.

Free Business Listing on the Chamber Website.

The East Northport Chamber of Commerce uses our website exclusively for spreading the word about your business. Recently the website has been revitalized and as a member you will receive a free business listing on the Chamber's website including your logo, a brief description of your business, products, or services and a link to your own site if applicable.

Free Advertising on the Chambers Social Media Sites

Having a sale or special promotion? Forward your coupon or flyer to the Chamber office and we will be happy to share it with *thousands of our local followers* at absolutely no cost to our members.

Ribbon Cutting, Anniversary, Special Event Ceremonies.

The East Northport Chamber is here to support and promote your business. Whether you are new to the area, celebrating a business anniversary or hosting a special event, we will contact the media and let our elected officials know exactly what's happening and invite them, along of course with Chamber representatives -- all on your behalf!

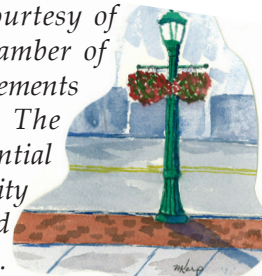

Restaurant Week

Established by the Chamber to help increase business for local restaurants who are active members, Restaurant Week has grown in popularity since its inception. The week long event has been such a success it has grown to encompass four weeks. Restaurant week is held bi-annually, once in Winter then again during Summer.

Help beautify the community that supports your business!

The East Northport Chamber of Commerce has ongoing programs to improve the appearance of the East Northport Community. Thanks to your Chamber, antique lampposts and sidewalk improvements have been installed as part of our Downtown Revitalization Program. Flower baskets adorn these antique lighting fixtures every spring/summer season. Waste receptacles have been installed and maintained along Larkfield Road. Holiday lighting is displayed in our downtown business district and along Larkfield Road. All of this is courtesy of the East Northport Chamber of Commerce. These improvements do not go unnoticed. The residents and your potential customers in the community are very supportive and appreciative of our efforts.

Plus, there is so much more!

Each year, the East Northport Chamber of Commerce hosts fundraisers, such as:
A Taste of Long Island East Northport Chamber Golf Classic
East Northport Festival which help support:
local high school scholarships, local not for profit organizations,
holiday food drives, Boy Scout/Girl Scout programs, etc.
